JOE VILLA NAMED HEAD OF LOCAL POLIO DRIVE

Joseph Villa, Albany businessman, has been named chairman of the Albany March of Dimes for infantile paralysis January 15-30, it has been announced by John F. Hassler, Oakland city manager and chairman of the Alameda County polio fund appeal.

With Villa's appointment, final plans are being rushed for the two-week drive, to be held simultaneously in all Alameda County communities, and throughout the nation.

"It will be easy to give to the March of Dimes," Villa said today commenting on the drive to begin next Thursday. He pointed out that more than 100,000 coin cards, and thousands of appeals letters will be mailed to Alameda County residents urging support of the drive.

In addition, hundreds of coin collection boxes, cardboard and metal containers bearing the picture of a little boy, will be placed in local stores, business houses and public meeting places to receive donations.

Villa said that the coin cards, to be mailed early next week will contain space for 20 dimes, or for bills, a check or money order. Contributors need only to place their donations in the card, seal and drop in the nearest mailbox. Return postage is guaranteed by the March of Dimes.

The current March of Dimes drive is the most critical in history, according to Basil O'Connor, national chairman of the drive. He pointed out recently that epidemics throughout the country this past year have depleted the reserve funds of the National Foundation for Infantile Paralysis, whose sole support is the March of Dimes drive.

In Alameda County, \$69,000 was spent in direct aid to local polio victims between June 1, 1946, and May 31, 1947.

Evening School English Class At Codornices

Opportunity is given those desiring it to take a course in elementary oral and written English and in elementary arithmetic in Codornices Village. This class, taught by Mr. Bernard Kahn, is held on Tuesday and Thursday evenings from 7:30 to 9:30 at the Codornices School. Individual instruction is emphasized so that adults may be taken at whatever level they are and advance as rapidly as possible.

The Cooperative Pre-School Play Center is conducted at the Child Care Center Building five mornings a week for the enrollment of children from 2 to 4 1/2 years of age. This is run on a cooperative basis, and the mothers of the children enrolled all participate in the program on an assigned number of mornings. Those interested in this program should contact the teacher, Mrs. Kathryn Powell, at the Child Care Center Building for further details.

At the present time a class in the psychology of the pre-school child is being held at the Child Care Center Building on Wednesday nights from 8 to 10. Both men and women are attending this class, and it is not limited to those whose children are enrolled in the Cooperative Pre-School Play Center. Other parents or interested people may attend this class.

"It is the hope of the Albany Board of Education and the School Administration," says Mrs. Delsa Walton, President of the Board, "to extend much further the opportunity for adult classes in Codornices Village. We fully realize the difficulty involved in the residents of that area having to go to the Albany High School Building for classes. If the people will but let the Principal of the Evening High School know what additional courses they would like, every effort will be made to offer them in Codornices Village."

Berkeley-Albany PTA Presidents to Meet

The next luncheon of the unit presidents of the Berkeley-Albany Council of Parent-Teacher Associations will be held at the home of Mrs. F. J. Carmody, president of the Hillside Parent-Teacher Association, on Monday, Jan. 12. Co-hostesses will be Mrs. Karel A. Smith, president of Berkeley High Parent-Teacher Association and Mrs. R. R. Ward, president of Thousand Oaks Parent-Teacher Association.

Council Adopts Law to Control Excavations

An ordinance requiring permits for excavations was adopted by the City Council Monday night. The law was made an emergency measure to control all excavations, except for building foundations, to prevent work which might do irreparable damage and cause property depreciation.

Future excavations must have the approval of the Council and fees will be levied, based upon the amount of earth removed, ranging from \$25 for 10,000 cubic yards to \$100 for more than 50,000 cubic yards. Violations are punishable by a fine of up to \$300, three months in jail or both.

Other business before the council included authorization for the erection of stop signs at the corner of Francis St. and Santa Fe Ave.

In reply to a letter from residents on Jackson St., the council advised police and street department study of placement of a warning sign where Jackson St. ends at the intersection of Castro St. Letters signed by Carl Neiper Jr., George F. Rose Sr., G. W. Hoffer and Morton Noble Jr., all of Jackson St., complained that cars were making the sharp turn onto Castro St. too fast. They reported that tire marks have been found on the sidewalk and asked that curve warning signs be placed at an appropriate distance before the end of the road.

Another lady we know on the sick list is Mrs. T. R. Gould, who writes the Marin P.T.A. news and keeps us posted on what the Berkeley-Albany P.T.A. Council is doing. I know a major part of Albany joins us in wishing her a speedy recovery.

The first meeting for this year will be on Jan. 12 at the Veterans Memorial Building. The annual Chinese dinner which has become so popular with the members, will be held this year on Jan. 20 in San Francisco's Chinatown at the South China Restaurant.

More than 22 members have already made reservations for the affair, according to Mrs. Zella Lindh, chairman. All reservations must be in not later than Jan. 16. Miss Marjorie Stott is aiding Mrs. Lindh in arranging the dinner.

Miss Laura Hill has been elected as historian and Mrs. Jessie Fay named welfare chairman.

Miss Gilchrist Leaves Albany High to Teach In Tokyo G.I. School

A G.I. classroom at an Army school in Japan will be the destination of Miss Margaret Gilchrist, former Spanish teacher at Albany High, when she finally embarks, weather permitting, for Tokyo. She has been chosen to teach Spanish to American soldiers continuing their studies while on occupation duty.

Originally scheduled to leave by plane on New Year's Eve, Miss Gilchrist has been unable to start due to bad weather and crowded transport planes. Each day she commutes from her home at 2732 College Ave., Berkeley, to Army Transport Headquarters at Oakland Air Base.

Miss Gilchrist is on an eighteen months leave of absence from the Albany Unified School District following seventeen years of teaching at Albany High. She is one of the very few teachers remaining who taught at the old Herbert Hoover Junior High School, which in 1934 was changed to the status of a high school.

During her years in Albany she has done a great deal of very fine work as sponsor of the Spanish Club, an organization now numbering about 40 members, and the Big Sisters, a group which counsels and advises incoming girl students. Mrs. Josephine Knight is temporarily replacing Miss Gilchrist at Albany High.

Stork Makes Unexpected 'Investment' at Bank

The stork had been hovering close to Mrs. W. M. Thomas of 1127 Brighton Ave. for some time, but on Dec. 30 he must have grown tired and in one of his more whimsical moods made a surprise call upon the expectant mother while she was at a Berkeley bank.

Summoned to the bank, Dr. H. E. Penland called for an ambulance but before it arrived the unpredictable old bird had left little Cheryl Kay, five pounds eight ounces of healthy beauty and gone on his busy way.

After a short stay in the Albany Hospital mother and daughter are home and reported doing fine. Welcoming them home was Sandra Lynn, who made the newspapers last year when she won a beauty contest for Albany-Berkeley babies.

The number one license for this year went to Martin Wylie of 1113 Curtis St. who wheeled his bike into the station on Jan. 2, the first day of the big parade.

Soroptimist News By BEA RAYMOND

Due to the holidays falling on a Thursday and our good friend the Albany Times, going to press on Tuesday, we are a mite late with our Soroptimist news.

On Dec. 24 we had a Christmas party with the usual singing of Christmas carols and two solos by Edith Lennox of Lennox Studios. It was a very appropriate meeting. Each person received a gift and had to guess the donor. By the squeals of delight we judge everyone was pleased with their gift.

On Dec. 31 Genevieve Douglas of Douglas Pharmacy, as program chairman, held a round table meeting to discuss a project for the coming year. Each member presented their idea as to what we should do for the betterment of our community. Several very fine ideas were advanced and no doubt a very worthwhile project will be underway in the near future.

Norma Carr, school nurse and chairman of the welfare committee, reported that the Soroptimist had been the means of many worthy families having a happier Christmas.

Jan. 7 being a business meeting, the only special event was the receiving into full membership Mildred Hein of George's Coffee Shop and Myrtle Moncrief of Roberta's Fountain. Our president, Bea Williams, is having a bout with the flu and vice-president May Olson presided.

We were saddened by the news that Freeda Bolton of the Mechanic's Bank and Dorothy Simmons of Simmons Shades lost their mothers last week.

News Told of the Recent Marriage Of Robert Foley

The news is being told in Albany of the marriage on Dec. 22 in Redlands, Calif., of Robert Joseph Foley, son of Mr. and Mrs. George H. Foley of Santa Fe Ave., to Nyna Patricia Park, daughter of Mrs. Austin Trenor Park and the late Mr. Park.

Approximately 500 guests witnessed the evening candlelight ceremony at 8:30 in the Redlands Trinity Episcopal Church. Rev. George W. Barnes, pastor of Saint Thomas Church, Hollywood, and formerly of Redlands, read the single ring rites, assisted by Rev. George W. Morrel, pastor of Trinity church.

The bride wore a gown of white slipper satin styled with long sleeves, round neckline and white satin rose bustle. She wore a white satin rose crown with white illusion veiling and carried out the tradition of "something old, something new." She carried an old lace handkerchief and as jewelry wore pearls and a watch, the gift of the bridegroom. She carried a white orchid with streamers of stephanotis on a prayer book.

The bride's sister, Bebo Park, served as maid of honor with Mrs. Edward Deemer of Lafayette as matron of honor. Robert's sister, Phyllis Foley, was one of the bridesmaids. Present as an usher was William Rockwell of Albany. Parents of the groom traveled to Redlands for the wedding and the brilliant reception following the ceremonies.

The newlyweds are now living in Palo Alto where Robert is finishing his studies at the Stanford law college. He is a graduate of the University of California and secretary of Phi Delta Phi, honorary law fraternity. He served overseas in the Navy during the war and was discharged with the rank of Lieutenant, Senior Grade.

MORGAN'S MEANDERINGS By M. S. T.

A new voice was reading the business of the City Council Monday night when Sigrid Oakley stepped in to sub for Myrtle McLean while she vacations. Irony of it all, after waiting so long for a chance to take her vacation, Mrs. McLean spends most of it confined home with sickness.

Another lady we know on the sick list is Mrs. T. R. Gould, who writes the Marin P.T.A. news and keeps us posted on what the Berkeley-Albany P.T.A. Council is doing. I know a major part of Albany joins us in wishing her a speedy recovery.

The Bert Johnsons of 1830 Jackson St. are saddened over the loss of their little spitz dog, "Happy." They have invested in a sizable ad in the Times this week hoping to bring their pet home again.

So, maybe the car is too long for the garage, but Mrs. Yancy Moore wouldn't trade it for anything, for it is a Christmas gift from her husband and she loves it tenderly. "It" is a new Buick and was properly initiated with a trip to Mexico over the holidays.

The Arthur Smiths started the year out with a king sized bang. In addition to the popular police sergeant walking off with the election for president at the Exchange Club and wife, Ada, being named treasurer of the Exchangeettes, they also celebrated, on New Year's Eve, 15 years of happy married life.

Home for the holidays was George Chelmedones, son of Mr. and Mrs. Dan Chelmedones of 919 Key Route Blvd. He is studying at the Cordia Lutheran Seminary at Springfield, Ill. George is one of five Chelmedones boys. There is also Dan Jr., Donny, Pete and Fred. Pete is now in Seattle with the Merchant Marine.

William R. Shlyvers, well known 'round town, has joined the staff of Phal Realty, 648 San Pablo Ave. Bill is in charge of listings, sales and office management. Wonder if he can find Morgan a house, flat or apartment to rent?

YEAR IN. YEAR OUT!

THE COST OF GAS AND ELECTRICITY IN YOUR HOME HAS GONE DOWN

It takes a lot of shopping around today to find a pre-war bargain. Practically everything in the line of home necessities, for example, has climbed steadily upward in price since 1939. However, there is one exception...the cost of gas and electric service has gone down and down in price.

Year in and year out your dependable gas and electric service has helped you run your home with money-saving and labor-saving appliances at rates far below the national average. And no matter how much other items in the cost of living may go up during this New Year, you can be sure that cost of gas and electricity will remain the biggest bargain in the home.

"YES, I THINK YOU'RE VERY WISE. I KEEP ALL MY JOOLS AND VALUABLES IN A SAFE DEPOSIT BOX TOO."

If anyone ought to know about the wisdom of keeping his valuables in a safe deposit box, it's this gentleman. Furthermore, he also maintains a nice savings account at the bank paying the highest rate. Remember, we are now paying 1 1/2 % interest.

Next Sunday will mark the third anniversary of the Rev. A. O. Odegar as pastor of the First Baptist Church, temporarily located at 921 Kains Ave. He will bring his anniversary message to the church at 11 a. m. speaking on the subject: "The Church I Would Want to Join." The Church Choir will sing. At 7:30 p. m. the topic for discussion will be: "A 'Blues' Singer Finds the Lord." Special music. The Sunday School convenes at 9:45 a. m. with classes for all ages.

Be willing to take a licking but not to stay licked.

Mrs. Helen Gamba, Policewoman for Berkeley, spoke to the Berkeley-Albany Council of Parent-Teacher Associations recently outlining the program of the Juvenile Division of the Berkeley Police Department. The Division was organized in 1945 and handles all cases involving boys and girls under 18 years of age.

Some points of interest were: Fewer juveniles were actually arrested in 1947 than in 1946. Petty thefts are the most prevalent type of offense committed with burglaries second. No section of the city is free of juvenile offenders.

"I'M FEELIN' MIGHTY LOW!" — Candy Candido looks quizzical (left, above), then answers a question as to his condition: "I'm feelin' mighty low!" (right). He has made this basso profundo line a personal label—first in 15 years with big name bands, then with a best-selling record, and now his weekly appearances on NBC's "Jimmy Durante Show."

Naval Supply Center Needs Stenographers

Many stenographic vacancies exist at the Oakland Naval Supply Center, it was announced today by Captain Daniel M. Miller, Supply Corps, USN, Commanding Officer. Jobs are open for Clerk-Stenographers at \$2168.28 per annum and for Stenographers at \$2394 per annum.

These positions at the Oakland Naval Supply Center provide pleasant working conditions on a five-day, forty hour week, vacations with pay, sick leave with pay and all the other advantages of working for the United States Government. Ride clubs are provided for those who live beyond the ordinary traveling distance.

Applicants for these vacancies should apply immediately to the Employment Office at the Oakland Naval Supply Center, the world's largest, located at the foot of Seventh Street in Oakland. All trans-bay trains stop at the Center station. Preference for the jobs will be given to veterans and former Government workers, Captain Miller added.
